SCBI recently completed its support for the supplemental feeding program of the City Social Welfare and Development Office (CSWDO) for 10 Daycare Centers of Barangays Palampas, Punao and One: Pamahawan, Ledesma Heights, Cabunao and Aglolo-od in Barangays Palampas; Maloloy-on, Punao Proper, Mahayahay and Hagonoy in Barangay Punao; and Tibuco and Calumpang in Barangay One. One thousand fifty-six (1056) school children with age ranging from 3 to 6 received health drinks last July, August and October respectively to complement the meals provided by the CSWDO. This activity is part of RHI's Hakbang Tungo sa Pangarap Program and in support of the existing supplemental feeding program of the local government through the health and welfare initiative of the CSWDO.
